

**Thomas Barton Reserve Graves
Blanc, Graves, France, 2006**

Semillon, Sauvignon Blanc

This elegant wine has a complex nose featuring citrus and white fruit, with mineral and well-integrated oaky overtones. It is classy, crisp and fruity with an excellent balance and character.

Notes _____

**Thomas Barton Reserve Margaux,
Margaux, France, 2006**

Cabernet Sauvignon, Merlot

Made in the purest tradition of the First Growths, this wine is the result of a selection of the best plots in the appellation. Wonderful ripe cherry fruit and seductive hints of chocolate and oak. Charming, round and opulent, it has a velvety texture and a long and elegant finish.

Notes _____

**Trincherio Napa Reserve Day Break
Block Merlot, Napa, CA, 2004**

Merlot

A generous nose packed with plums, cassis, spice, blackberries, vanilla and leather. A Firm and balanced structure with a long and complete finish and an opaque color.

Notes _____

**Trincherio Napa Valley
Mary's Vineyard Sauvignon Blanc,
Napa Valley, CA, 2007**

Sauvignon Blanc

Remarkable intensity and structure. A pale straw-color with flavors of tree fruit and flint on top of firm, palate-cleansing acids. Aged without new oak to accentuates the crispness.

Notes _____

**Trincherio Napa Valley
Main Street Vineyard
Cabernet Sauvignon,
Napa Valley, 2005**

Cabernet Sauvignon

Aromas of brioche, cassis and cocoa, accented by spicy black pepper notes on the palate. Succulent and smooth with excellent concentration and depth.

Notes _____

**Jacob's Creek Three Vines Red,
South Eastern Australia 2007**

Shiraz-Cabernet Sauvignon-Tempranillo

Vibrant crimson and purple colour. Layers of youthful, spicy Satsuma plum and dark cherry aromas, with anise and blueberry, black olive and savoury red fruits that cover the length of the palate.

Notes _____

**Jacob's Creek Three Vines White,
South Eastern Australia 2007**

Semillon-Sauvignon Blanc-Viognier

Vibrant green straw colour. The nose is lemon citrus fruit, tropical fruit salad and spicy apricot fruit notes. Medium bodied with wonderful fresh acidity balanced with fruit richness and texture.

Notes _____

**Jacob's Creek Reserve
Cabernet Sauvignon,
South Eastern Australia 2005**

Deep crimson red colour. Concentrated and lifted cassis and black fruits of the forest on the nose with subtle notes of mint, chocolate and attractive toasted oak. A palate of varietal black current fruits, cassis and capsicum flavours layered over tight tannins and smooth integrated oak.

Notes _____

**Montana Sauvignon Blanc,
Marlborough, New Zealand 2007**

Aromas of ripe capsicum, gooseberry, and grapefruit dominate with tropical fruit notes apparent. Full fruit intensity. The capsicum flavours meld well with gooseberry and supporting mango and passionfruit flavours. Lively, crisp acidity.

Notes _____
