SUPPLIER NOTES

FRED TIBBITTS & ASSOCIATES (FTA): Celebrated its seventh annual “A Spring Evening in Singapore with Very Special Friends” in March at the St. Regis Singapore hotel. A reception was hosted by Diageo, Moët Hennessy, FIJI Water, Ronnefeldt Tea, and Phillips Foods Asia and was followed by a four-course gala dinner. The purpose of these annual events, says President and CEO Fred Tibbitts, Jr., is to recognize hospitality excellence, provide scholarships in the names of those who are honored, and make charitable contributions. For more information, visit www.fredtibbitts.com.

To create these beautiful rooms...

*...you need to start with the
Maywood Furniture Original Series®*

Maywood Furniture Corporation® started over eighty years ago manufacturing folding banquet tables for major hotels. Since that time, our product line and customer base have expanded greatly. The hundreds of thousands of tables shipped to many of our satisfied customers attest to this fact. As it was eighty years ago, our principles remain the same: Manufacture a quality banquet table with an experienced and courteous customer service staff to back it up.

Plugrá European-Style Butter:

The American Culinary Federation (ACF) has awarded Plugrá the ACF Seal of Approval. Three varieties of Plugrá butter—salted, unsalted, and clarified—were submitted for extensive testing

and evaluation for consistency, performance, adaptability, and accuracy of labels and marketing materials. “It’s one thing for a marketer to speak to a product’s benefits,” says Erin Turley, Plugrá brand manager, “but when you put the validation of America’s most respected chef organization behind those claims, it’s invaluable.” For more information, visit www.plugra.com ...

Maywood Furniture Corp: Congratulates Maidenberg & Associates for being named Maywood Furniture’s 2009 Representative of the Year. Maidenberg was also Maywood’s Rep of the Year in 2006. Congratulations also go to Vern Hay of Fort Marketing (Canada) for being a close runner-up. For more information, visit www.maywood.com ...

Kold-Draft: Announces the appointment of Timothy Bethuy as director of engineering.

Bringing expertise in equipment development, marketing innovation, and R&D management from more than 25 years of design engineering experience, he is responsible for more than 11 patents. In his new role, Bethuy will be leading engineering development from concept to production. For more information, visit www.kold-draft.com ...
